

WESTSIDE STORY

What an incredible term. The days and weeks are definitely getting shorter as we enter our fourth year at Seaford. As always, the range of talents in the House remains incredibly diverse and this newsletter really shows the abilities of many of our students to the full. We are incredibly proud of all of our boys and hope that they (and you) have a wonderful Christmas. We very much look forward to seeing you all in 2015.

AIRHOP

When the idea was first put to me to go to a trampoline centre as part of our usual programme of weekday treat trips, I was a bit sceptical. I did not think it would really attract much attention. However, I could not have been more wrong. The 2 sessions we took were really popular and we hope to run them again at some point soon.

MATT KOURIS

Congratulations to one of our new boys, Matt Kouris. This term he picked up the Player of the Year award for Hampshire Rugby. Matthew played for England under -16 before he came to Seaford. He is a permanent member of the First XV.

SCHOOL PLAY

As usual, the boys from West were well represented in this term's school production – Dr Faustus. The play is a timeless tale of a man dissatisfied with

life, who sells his soul to the Devil in return for limitless knowledge, power and wealth. But the promise proves to be hollow and the price one of unimaginable horror. Congratulations to Oskar, Peter and Charlie.

SEAFORD TO SEAFORD

Both schools together for the after photo.

As has become our tradition, we played Setyning Grammar at football this term and, unfortunately, as usual we were on the receiving end of some pretty impressive skill and organisation. The Steyning boys are very well drilled and our 9s and 10s lost heavily. The years 11s and 12s had a very much closer encounter and were unlucky with the 0-3 score line they ended up with. As usual, the evening was a great success and we look forward to hosting them soon.

FIRST IMPRESSIONS

SEAFORD TO SEAFORD BIKE RIDE

At the Tower of London

In October 11 students, staff and parents cycled the 50 or so miles from

Seaford College in Petworth to the site of the original school - Corsica Hall in Seaford. We cycled over the South Downs, setting off at 08-00 and eventually arriving cold, wet and exhausted at 18-00. Seaford College moved out of Seaford itself in the 2nd World War - to temporary accommodation in Worthing. After the war was over the school Governors took the decision that there was limited scope to expand in a town centre and began looking for suitable accommodation nearby. Eventually Lavington Park was found and the school moved here in 1946.

The event has so far raised over £750 for our charity of the term - the

MEN OF THE WEEK

Congratulations to all of those who have picked up the coveted Man of the Week (MoW) award this term. As usual the priviledge of a mug shot on the House notice board and a jar of chocolate spread was given to the following:
Elnur Eyyubov, Oskar Strasman, George Mumladze
